SECTION 3-104: TRAFFIC OFFICERS

The Village Board or village law enforcement officer may at any time detail officers, to be known as "traffic officers," at street intersections. All traffic officers shall be vested with the authority to regulate and control traffic at the intersections to which they are assigned. They shall direct the movement of traffic and prevent congestion and accidents. It shall be unlawful for any person to violate any order or signal of any such traffic officer, notwithstanding the directive of a stop sign or signal device which may have been placed at any such intersection. (Neb. Rev Stat. Sec. 60-680, 60-683)

SECTION 3-105: EMERGENCY REGULATIONS

The Village Board or street commissioner is hereby empowered to make and enforce temporary traffic regulations to cover emergencies. (Neb. Rev. Stat. §60-435)

SECTION 3-107: TURNING; GENERALLY

Vehicles turning to the right into an intersecting street shall approach such intersection in the lane of traffic nearest to the right hand side of the highway and must turn the corner as near the right hand curb as possible to keep between the curb to the right and the center of the intersection of the two streets. The driver of a vehicle intending to turn to the left shall approach such center line of the highway and in turning shall pass as near as possible to the center of the intersection, passing as closely as practicable to the right thereof before turning such vehicle to the left. For the purposes of this section, "center of the intersection" shall mean the meeting point of the medial lines of the highways intersecting one another.

SECTION 3-108: TURNING; "U" TURNS

No vehicle shall be turned so as to proceed in the opposite direction, except at a street intersection. No vehicle shall be turned so as to proceed in the opposite direction at any intersection where an automatic signal is en operation or where a sign is posted indicating that "U" turns are prohibited.

SECTION 3-109: TURNING; CAUTION

The operator of a vehicle shall, before stopping, turning, or changing the course of such vehicle, see that there is sufficient space to make such movement in safety.
